8 **THIRD PRESIDING JUDGES' STATEWIDE COVID-19**  
9 **PANDEMIC ADMINISTRATIVE ORDER**

10 Pursuant to the Alaska Supreme Court's Emergency Order No. 1957 and Chief  
11 Justice related Special Orders, including Order Nos. 8131, 8135, 8144, 8148, and 8149,  
12 IT IS HEREBY ORDERED

13 **COVID-19 VISITOR HEALTH PRECAUTIONS**

- 14 1. All visitors to Alaska Court System court facilities are required to comply with applicable  
15 state and local COVID-19 mandates, and with the screening and safety protocols established  
16 by the Chief Justice, the Alaska Court System Administrative Director, and with all local  
17 protocols for a court location established by the presiding judge for that Judicial District. The  
18 protocols can be viewed on the Alaska Court System's website.
- 19 2. The visitor screening and safety protocols at present include listed circumstances which  
20 prohibit a person from entering a court building and the requirement of social distancing of at  
21 least six feet while in court facilities. The wearing of an appropriate face covering is strongly  
22 encouraged statewide. The presiding judge of a Judicial District may impose other  
23 requirements such as health screenings and mandatory face covering.
- 24 3. Judicial officers are responsible for the enforcement of the mandates, protocols, and  
25 presiding judge orders in their courtrooms and may exclude visitors who do not comply.
- 26 4. Judicial officers or court employees may enforce the mandates, protocols, and presiding  
27 judge orders in other areas of a court facility, which may require the exclusion of visitors  
28 who do not comply.
- 29 5. "Visitors" includes anybody coming into an Alaska Court System facility, including, but not  
30 limited to, parties, witnesses, attorneys, victims, grand jurors, trial jurors, other participants

1 in a court proceeding, persons conducting business at a Court Clerk's Office, and members of  
2 the public.

### 3 GRAND JURY

- 4 6. Chief Justice Order Nos. 8144 authorizes the statewide resumption of grand jury proceedings  
5 on June 1, 2020, and provides that the suspension of the preliminary examination time limits  
6 under Criminal Rule 5(e)(4) is extended through July 31, 2020. The presiding judges may  
7 extend the suspension of Criminal Rule 5(e)(4) in the future.
- 8 7. Courts at the grand jury sites designated in Criminal Rule 6(b), or at additional sites as may  
9 be designated by a presiding judge per Chief Justice Order No. 8148, may begin to hold  
10 grand jury proceedings on June 1, 2020. The presiding judge for the Judicial District will set  
11 the specific date for resumption of grand jury proceedings for each designated grand jury site  
12 after consultation with the local judicial officer(s), court staff, and prosecutor.
- 13 8. Per Chief Justice Order No. 8148, all witnesses and interpreters may appear by  
14 teleconference or videoconference. The prosecutor shall require a person participating by  
15 teleconference or videoconference to state their location, verify that their participation cannot  
16 be overheard, and to notify the grand jury immediately if any person can overhear their  
17 participation.
- 18 9. Per Chief Justice Order No. 8148, a grand jury may meet in two or more courtrooms at a  
19 single court location by videoconference or teleconference. A technician may be present  
20 while the grand jury is in session, other than during deliberations, if necessary for a  
21 videoconference presentation.
- 22 10. Per Chief Justice Order No. 8148, the prosecutor shall ensure that the grand jurors, including  
23 those in separate courtrooms connected by videoconference, and witnesses and interpreters,  
24 including those appearing by videoconference and teleconference, can all hear each other.

### 21 CRIMINAL JURY TRIALS

- 22 11. Per Chief Justice Order No. 8144, jury trials are suspended until at least July 6, 2020. The  
23 presiding judges are not now extending that suspension but may in the future. Criminal Rule  
24 45 is addressed in Supreme Court Order No. 1957, Chief Justice Special Order No. 8144, and  
25 in the presiding judges' prior statewide COVID-19 pandemic administrative orders. When  
the suspension or limitation of criminal jury trial is lifted, Criminal Rule 45 will be tolled for  
at least an additional 30 days to permit an orderly transition and scheduling. It will be further

1 tolled for a reasonable time to accommodate the availability of witnesses, counsel, the court,  
2 jurors, and the access counsel have to incarcerated defendants.

### 3 **CIVIL JURY TRIALS**

4 12. All jury trials in non-criminal cases remain suspended. The presiding judges will consider  
5 ending the suspension after evaluating the resumption of criminal jury trials.

### 6 **NON-JURY COURT HEARINGS/TRIALS**

7 13. The presiding judges are not extending the suspension of any presently suspended non-jury  
8 hearings and court trials beyond May 31, 2020.

9 14. Eviction proceedings must continue to comply with sec. 21, ch. 10, SLA 20 and the federal  
10 CARES Act. And a judicial officer may find good cause to stay an eviction order based on  
11 the current COVID-19 pandemic public health emergency. An eviction should be so stayed  
12 if the tenant is subject to a quarantine order or is self-quarantined pursuant to an applicable  
13 public health guideline or a doctor's recommendation.

### 14 **TELEPHONIC/VIDEO PARTICIPATION – CIVIL CASES**

15 15. The public and all attorneys, parties, witnesses, and other participants in a hearing or non-  
16 jury trial in a civil case shall appear by telephone or videoconference unless the trial court  
17 grants a timely request to have one or more persons appear in person for good cause shown.  
18 A district presiding judge order may limit the use of good cause exception based on the  
19 incidence or recurrence of COVID-19 cases in a court location.

### 20 **TELEPHONIC/VIDEO PARTICIPATION – CRIMINAL/DELINQUENCY CASES**

21 16. The public, and all attorneys, parties, witnesses, and other participants in non-jury criminal  
22 hearings, and delinquency hearings, shall appear by telephone or videoconference unless the  
23 trial court grants a timely request to have one or more persons appear in person for good  
24 cause shown, except that a defendant, counsel, and witnesses may appear in person for a  
25 sentencing and for an evidentiary hearing if the defendant does not waive personal  
appearance. If a defendant appears in person, then persons who qualify as "victims" under  
Alaska statute and a reasonable number of family and/or other supporters may also attend in  
person.

17. The judicial officer for each therapeutic court may determine without a request from a party  
that the defendant, attorneys, and other participants may appear in person for therapeutic  
court proceedings.

1 18. When Defendants in criminal and juvenile delinquency proceedings appear at a proceeding  
2 by telephone or videoconference there shall be, to the greatest degree practical, a procedure  
3 by which the defendant can confer privately with their attorney. If such need to confer arises  
4 and a private conferral is not possible, the hearing shall be continued unless the defendant  
5 consents to proceeding.

#### 6 **SEARCH AND ARREST WARRANT APPLICATIONS**

7 19. Search warrant and arrest warrant applications shall be made by electronically filed written  
8 affidavit to the greatest degree practicable. Applications by telephone may be accepted if  
9 necessary. The use of in-person warrant applications is discouraged, but not prohibited.  
10 Officers applying by means of an affidavit shall provide a contact telephone number in case  
11 the judicial officer reviewing the application has related questions.

#### 12 **PUBLIC ATTENDANCE**

13 20. Members of the public may listen to any non-confidential court trial or other court hearing by  
14 calling the conference line for the court in which the proceeding is being held.

#### 15 **FILING BY EMAIL, ELECTRONIC SIGNATURE, NOTARIZATION AND** 16 **ELECTRONIC SERVICE**

17 21. Court filings by email and fax are authorized per the Chief Justice's Special Order No 8135.  
18 All filings should be made electronically to the greatest degree practical. The Clerks of  
19 Court shall publish the appropriate email address and fax telephone number in order to  
20 facilitate such filing. The Clerks of Court may establish drop box or other in person filing  
21 systems and transactional safeguards to reduce personal interaction.

22 22. Filings by email are limited to 30 pages in the Second, Third, and Fourth Districts. A party  
23 cannot circumvent the page limitation by sending multiple emails. The Clerk of Court for a  
24 court location may authorize a longer filing upon a timely request for good cause shown.

25 23. Civil Rule 5 service should be done electronically, without the necessity of the consent of a  
party. All parties with operational email addresses must provide their email address to the

1 court and to all opposing parties for purpose of service and distribution. If a party has no  
2 functioning email address then service and distribution by mail is permitted.

3 **EFFECT**

4 24. This order supersedes all prior statewide, district, and local pandemic presiding judge orders  
5 to the extent a prior order is inconsistent with this order. This order will remain in effect  
6 until terminated by order of the presiding judges, the Chief Justice, or the Alaska Supreme  
7 Court.

8 **FUTURE PANDEMIC ORDERS**

9 25. A presiding judge may issue district-wide and local orders that address unique or limited  
10 circumstances.

11 26. The presiding judges will be reviewing this order over time and as developments occur and  
12 will issue new orders as circumstances warrant. The presiding judges intend to issue a new  
13 order prior to July 6, 2020 which addresses at least the resumption of jury trials in criminal  
14 cases.
