CASE NO. _____

**NOTICE OF SINGLE TRANSACTION
 AUTHORIZATION HEARING
 (To Interested Persons)**

The petitioner (the person sending this notice) asked the court to authorize a specific financial or property transaction for the benefit of the respondent named above. The court will hold a hearing on this request on:

Date and Time: _____

Court Address: _____

Courtroom: _____ Judicial Officer: _____

You are not required to attend this hearing unless you are called as a witness.

Purpose of Hearing

At the hearing, the court will decide whether the respondent needs a court order to perform this transaction, because either

- (1) the respondent is an **adult** who is unable to manage the respondent’s own money and property effectively, and:
 - the respondent has money or property that will be wasted or used up unless proper management is provided, or
 - the respondent has funds that are needed for the support, care, and welfare of the respondent or those entitled to be supported by the respondent.
- (2) the respondent is a **minor** who
 - has money or owns property needing management or protection, and a court order is necessary to provide this management or protection, or
 - has or may have business affairs that may be negatively affected because the respondent is a minor, or
 - needs money for support and education, and a protective order is necessary to get access to this money.

The court will also determine whether this transaction is in the respondent’s best interests.

Possible Consequences

The court may order the transaction to proceed without requiring the respondent’s consent, although the court will consider the respondent’s opinion, if reasonably possible to do so.
