Case No. 3AN-21-08869CI

ORDER DENYING STAY

The Board has filed an emergency Motion for Stay of this Court's Order re Motion for Rule of Law – Attorney Client Privilege dated January 18 2022 pending its Emergency Petition for Review. The Court has considered the Board's request, and the need for immediate review, but does not believe any further delay is warranted given the start of trial in two days' time. In addition, since the Board has filed its Petition for Review, and the Supreme Court has issued expedited orders, the Court agrees that it will not begin review of any in camera submission until after the final pre-trial conference scheduled for 4pm today. The Motion for Stay is DENIED.

IT IS SO ORDERED.

DATED at Anchorage, Alaska this 19th day of January, 2022.
