INTERVENORS'/SPONSORS' FINAL WITNESS LIST

Intervenors/Sponsors', Dr. Arthur Matthias, Phillip Izon, and Jamie R. Donley (hereafter Sponsors"), hereby give notice that they have submitted videotaped depositions to the court on a flash drive, consistent with the court's order as related to Alaska R. Civ. P. 32(a)(3)(F), which provides that:

(a) Use of Depositions. At the trial or upon the hearing of a motion or an interlocutory proceeding, any part or all of a deposition, so far as admissible under the rules of evidence applied as though the witness were then present and testifying, may be used against any party who was present or represented at the taking of the deposition or who had reasonable notice thereof, in accordance with any of the following provisions: ... (3) The deposition of a witness, whether or not a party,

may be used by any party for any purpose if the court finds: ... (F) that the witness' testimony has been recorded on video tape.

The Sponsors, therefore, submit the following videotaped deposition to the

Court:

1. Jesse Baise;
2. Richard Eide;
3. John Costa;
4. Eric Hughes;
5. Natalie Martin;
6. Arthur Matthias;
7. John Miller;
8. William Quantick;
9. Theodorus Ransom
10. Colleen Sherman;
11. Barbara Tyndall; and
12. Sharon Wessels.

The video-taped depositions are provided to the in-court clerk on a flash drive. The Sponsors understand that the court has already ruled on much of the video audios that were submitted as part of the Plaintiffs' exhibits (listening to all audios but then ruling on the inadmissibility of some hearsay statements within those audios). Trusting the court to compartmentalize the admissible from the inadmissible in that regard, the Sponsors submit the entire video tapes to the court.

The Sponsors are having technical difficulties transferring Phillip Izon's and Mikaela Emswiler's video-taped deposition to flash drives for the court but expect to accomplish the task very soon.

Dated this 25th day of June 2024.
