Case No. 3AN-18-09814CI

**REPLY TO OPPOSITION TO MOTION FOR SPECIAL MASTER; REQUEST TO  
HOLD MOTION IN ABEYANCE**

Doe requested that this court designate a special master to assist in monitoring those individuals subject to detention in correctional settings. The initial motion was filed prior to the COVID-19 pandemic. Due perhaps to the pandemic, or other variables, the number of individuals subject to lengthy stays in correctional settings has abated. Thus, the immediate need for a special master has diminished, although there is no assurance that a special master might not be warranted in the future.
