The State appellees have filed a motion for a more expedited schedule for this recount appeal and all parties have had an opportunity to respond. But the State's proposed schedule gives inadequate time for the hearing and decision on the points raised by appellant Dodge and the intervenors.

IT IS THEREFORE ORDERED that the State's motion is **DENIED**.

IT IS FURTHER ORDERED that the issues submitted to the master will include the points raised in the intervenors' cross-appeal. These cases are now **CONSOLIDATED**, and the caption shall be as set forth above.

Entered by direction of an individual justice.
