

Fairness, Diversity, and Equality in our Justice System means it doesn't matter the color of a person's skin or their language or ethnicity; everyone in Alaska and the rest of the United States has the right to live peacefully together with our many differences. Our founding fathers started the country on the ideals of Life, Liberty and the Pursuit of Happiness for all people. We need our courts and judges to make sure *all* our people are treated equally and fairly so Alaska Natives, Asians, Latin Americans, Russian, and the rest of Alaskans can live side-by-side as neighbors.
